Physical Therapy Near Deerfield

About In2Great Therapy: A Family-Owned Pediatric Clinic

Family-Focused

As a family-owned practice, we understand the importance of a supportive and caring environment for both children and families.

Pediatric Expertise

Our team specializes in providing physical therapy services specifically tailored to meet the unique needs of children.

Comprehensive Physical Therapy for Children

Developmental Delays

We address developmental delays, improving motor skills, coordination, and overall physical development.

Sports Injuries

We help children recover from sports injuries, restoring strength, flexibility, and mobility.

Post-Surgical Rehabilitation

We provide post-surgical rehabilitation to help children regain function and improve their quality of life.

Expertise in Treating Children with Developmental Needs

Cerebral Palsy

We are experienced in treating children with Cerebral Palsy, improving mobility and independence.

Autism Spectrum Disorder

We provide specialized therapy for children with Autism Spectrum Disorder, enhancing sensory integration and social skills.

Down Syndrome

We offer tailored therapy for children with Down Syndrome, addressing specific needs and challenges.

Individualized Approach to Improve Mobility and Reduce Pain

1

Assessment

Our therapists conduct thorough assessments to understand each child's unique needs and develop a personalized treatment plan.

2

Treatment Plan

We create a customized treatment plan that addresses specific goals and incorporates evidence-based practices.

3

Progress Monitoring

We monitor progress closely, making adjustments as needed to ensure the best possible outcomes for each child.

Advanced Techniques and Evidence-Based Practices

1

Manual Therapy

We utilize manual therapy techniques to address musculoskeletal imbalances and improve movement.

2

Therapeutic Exercise

We employ a variety of therapeutic exercises to strengthen muscles, improve flexibility, and enhance coordination.

3

Neuromuscular Re-education

We focus on neuromuscular re-education to improve motor control and coordination, and reduce pain.

Dedicated and Friendly Therapist Team

Passionate Professionals

Our therapists are passionate about helping children reach their full potential and achieve their goals.

Collaborative Approach

Our team works together to ensure that each child receives the best possible care and support.

Convenient Location and Flexible Scheduling

1

Convenient Location

Our clinic is conveniently located in Chicago, offering easy access for families in the area.

2

Flexible Scheduling

We offer flexible scheduling options to accommodate the busy schedules of families.
